Highlights

The District remains dedicated to providing all students with opportunities to acquire skills and knowledge that will enable them to reach their maximum potential.

Continuous evaluation and improvement of educational programs, instruction, and student learning are targeted through professional development and collaboration activities.

The District continues to focus its efforts to attract and retain a highly qualified staff.

Accomplishments and improvements are marked by strong community support and the combined efforts of Trustees, staff, parents, patrons, and students who are "Committed to Quality Education".

Progress Towards Meeting Goals

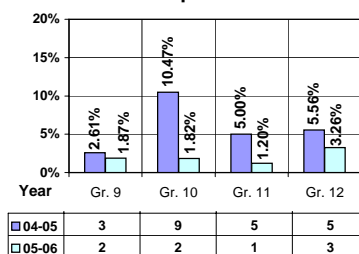

2005-06 Goals	Progress
Student achievement will be improved in all areas.	Professional Development activities focus on improving instruction and student learning.
Promote staff development and growth to support student achievement.	A Professional Development Committee is funded and supported by the District. The broad-based Committee is responsible to assess District needs for staff development and to articulate them and implement activities to address identified needs.
Emphasize communication and involvement with staff and the community.	In addition to strong media relationship and practices, KJAX student television broadcasts, District web site, and community partnerships, a strong community Volunteer Program has been developed to bring the community into the schools.
Maximize and efficiently use funding sources	The District continues to carefully utilize financial resources and has completed strong efforts to acquire more traditional grants/funds to support student learning.
Provide a safe, healthy, and appropriate learning environment.	Bullying, character education programs, and drug and alcohol programs emphasize a preventative approach in the provision of a safe, healthy, and strong learning environment. All vending machines District-wide have been upgraded to carry only healthy food and drink products.

Adequate Yearly Progress and Assessment : 2005-06

Did St Maries Jt District make Adequate yearly progress for 2005-06? No

Percent of the 41 targets that St Maries Jt District made: 97.56%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals
